STATEMENT

Dear Sir:

Applicant was not made aware of the Patent Office's holding of abandonment until the Examiner's telephone call to the undersigned on July 1, 2002, followed by an interview summary record mailed on July 2, 2002 (received on July 8, 2002). Apparently, Applicant's request for CPA filed on April 10, 2002, was not recognized by the Patent Office as improper until recently. The holding of abandoned was noted in the notice of abandonment dated July 2, 2002 (received on July 8, 2002). Since then, Applicant has prepared a substantive submission (a detailed information disclosure statement and a response to the last office action) and this petition for the Examiner's consideration. The information disclosure statement submitted here includes a submission dated August 17, 2001, that was apparently not considered by the Examiner. Applicant respectfully requests that this application be immediately revived and the substantive submission be considered here.

Respectfully submitted,

Dated: October 19, 2002
